

# Outdoor School Clothing and Equipment List for Students

Little or no new clothing or equipment should have to be purchased for Outdoor School. Clothing should be seasonally appropriate, comfortable, and functional. Students will get dirty! Rain gear is essential for Outdoor School, because we continue our programs — even in the rain.

Please pack in one suitcase (plus a bedroll), as students will be carrying their luggage from the bus to the cabins. **Mark all clothing and equipment with your child's name.**
